### **Rates For YAC-**

All participants are responsible for payment before they attend the event. All participants will be responsible for payment of the event they have signed up for regardless if they attended the event or not.

The reduced HCBS rate is only available for those participants who have an approved Plan of Care that shows The Arc of Sedgwick County as an approved provider of Supportive Home Care or Respite Hours for activities that month. If a plan has not been submitted to The Arc accounting office, then participants MUST pay the full activity rate, and once a plan is received into the accounting office, a refund will be authorized.

Each participant who is eligible for HCBS funding must work with their Targeted Case Manager and should have their case manager seek approval of HCBS, SHC, or Respite funding for participation in Arc activities. The case manager should fax the Plan of care to The Arc at 943-3292 attention Helen Ball.
