

The Arc's **TIME TO SHINE**

The reason for the excitement is the fact that we broke all of our records for The Lights in 2008. Our 2009 display promises to be bigger and better than ever. These displays will again have their light motion synchronized to music. With the expanded displays, we will have over 1 million lights for 2009 and the best & biggest neighborhood drive- thru display in Kansas! In 2008, we had 18,300 vehicles drive through and over 90,000 visitors view the Arc's Lights on St. Paul.

The Arc of Sedgwick County has served as a light of hope for thousands of persons and families with developmental disabilities. That one light is now amplified by a million through The Arc's Light on St. Paul!

Please visit our web site www.arc-sedgwickcounty.org to view a video of last year's lights and for additional information about our agency.

With our expanded display comes an added cost. To cover these costs we are once again asking for your support of The Arc's Shine tree. Our 2009 goal is aggressive: 550 ten dollar bulbs.

HOW YOU CAN HELP

Purchase one or more of the Arc Shine Bulbs at \$10.00 each. The bulbs help light The Arc Tree and your name will be on the Arc Tree poster located inside The Arc. (Please one name per bulb: Examples: John Smith, Arc Tennis Team or The Smith Family) Ask co-workers and friends to purchase bulbs and anyone you know!
